

HOUSE OF THE WEEK

A Fresh Take on the Modern Farmhouse

This unique home has tons of country charm with its barn-like appearance. The high ceilings of the open floor plan create an expansive living space and a great gathering place for family and friends. Two outstanding features are: the large mud/laundry room with commode and shower, and the spacious pantry with a wet bar and storage closet. The pantry has easy access to the wraparound porch – making it the perfect place to prepare refreshments while guests enjoy the great outdoors. Upstairs, two bedrooms share a Jack-n-Jill bath, while two long balconies look over onto the great room and kitchen below.

With a classic barn-inspired exterior, this home design has farmhouse written all over it.

An open concept floor plan and plenty of porches make this farmhouse super functional.
